- *Easy to swallow softgel*

Kenzen Wellness Organic-Based Nutrition

The Nikken Nutrition Philosophy

Hippocrates, the father of medical science, said, “Let food be your medicine.” Nikken Kenzen Wellness Organic-Based Nutrition is founded on the principle that natural, whole foods are the ideal source of the nutrients your body was designed to consume. They are “living foods” in the sense that healthy, natural nutrition supports normal physical function, contributes fuel for energy, and helps the body defend itself against illness, aging and environmental challenge.

JOINT FEATURES AND BENEFITS:

- **CM Complex** Helps support normal, healthy joint function.*
- **Improved, proprietary formula** Effective balance of cetyl myristoleate in a more available form.
- **Superior bioavailability** Rapid absorption.*
- **Softgels** Easy to take, convenient.

KENZEN® JOINT

QUICK REFERENCE SHEET

THE FACTS

- High Potency CM Complex is an advanced formulation that nutritionally supports collagen, bone and connective tissue repair. This formula has a high concentration of cetyl myristoleate and combines this with glucosamine, methylsulfonylmethane and compounds from the Boswellia plant, which has long been used in Ayurvedic and other complementary practice.
- The improved Kenzen Joint is made with cetyl myristoleate that remains liquid at room temperature. Other products make use of this compound in a waxy form, which requires warming and delays absorption.
- Cetyl myristoleate possesses natural surfactant and lubricant properties, in support of smooth joint movement.*

REAL DIEHL

CM Complex is endorsed by the estate of Harry W. Diehl, the National Institutes of Health researcher who developed cetyl myristoleate.

Recommended Use:

Take 3 softgels daily, preferably 1 with each meal. If desired, increase daily dose to 3 softgels twice daily until desired effects have been achieved, then reduce to 3 softgels daily.

Supplement Facts

Serving Size: 3 softgels

Servings Per Container: 30

Amount Per Serving	% DV**
Calories	11
Calories from fat	11

HOW TO USE	
Take 3 softgels daily, preferably 1 with each meal. If desired, increase daily dose to 3 softgels twice daily until desired effects have been achieved, then reduce to 3 softgels daily.	

QUICK SHARING TIPS

Flexibility and joint movement is essential for good health as well as comfort. For increased mobility, skeletal joints need effective nutritional support for maintenance and to encourage injury repair.*
